

**441—97.5(252B) Method of payment.** Payments shall be accepted in specific forms from obligors and payors of income.

**97.5(1) Form of payment.** Support payments may be paid in the form of cash, check, bank draft, money order, preauthorized withdrawal of funds, or other financial instrument, and sent by mail to the collection services center, or by electronic transfer of funds.

**97.5(2) Treatment of insufficient funds payments.** The unit shall have a process in place to handle insufficient funds payments.

*a.* An obligor or payor of income submitting an insufficient funds support payment to the collection services center shall be required to submit payments by cash, bank draft, or money order for a period of up to 12 months unless waived by the collection services center. Insufficient funds payments shall not be credited to the collection services center account for the obligor or shall be removed from the account if credited before sufficiency was verified. Insufficient funds support payments shall be subject to additional collection by the collection services center for the dishonored amount.

*b.* The collection services center shall not process additional payments other than cash, bank drafts or money orders from an obligor or payor of income who has previously submitted insufficient funds payments without first verifying the payment. The collection services center shall have a process in place to allow the obligor or the payor of income the opportunity to replace any additional moneys submitted for payment of support before processing in order to avoid additional insufficient funds entries into the official payment records on the affected cases.

**97.5(3) Distribution of payment.** Nonincome withholding support payments received by the collection services center in IV-D, former IV-D, non-IV-D, or correlated non-IV-D cases which are not directed to a specific account or support obligation shall first be applied proportionately to the current support obligation on all cases for the obligor and, secondly, to the support arrearages owed by the obligor.
